COMPANY OVERVIEW

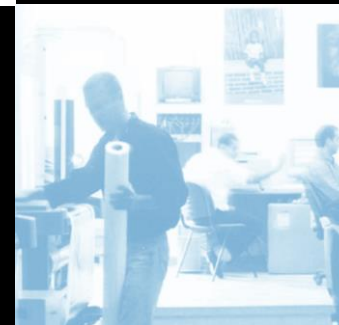

OUR HISTORY

Print Works was established in 1999 in Beirut, Lebanon as a digital printing service provider. It grew rapidly to become the leader in its field providing services for Advertising agencies, Corporations, Luxury brands, Banks and others. In 2003, Print Works expanded to a 2.500m² factory and diversified its services to offer fabrication for direct marketing including POS displays, exhibition stands, production for events etc. In 2007, Printworks branched out to Dubai, UAE and now strong with a combined work force of more than 200 employees, is offering a vast array of services including digital printing, fabrication for direct marketing, interior works and virtual reality filming

WHO WE ARE

A regional turnkey solution provider working with local and international brands across the whole of the Middle East. Always on the look out for innovative techniques and technological breakthroughs, our team of dedicated and experienced professionals have handled the most challenging jobs accompanying our clients from the concept to flawless execution.
